This we believe . . .

*A*ny college — old or young, large or small — must have a living personality separate and distinct from all others. This is what makes it worthy of its name. This personality, this individuality should be deeply rooted in its philosophy and objectives, and revealed through its actions. . . .

The Significance of Leadership at High Point College

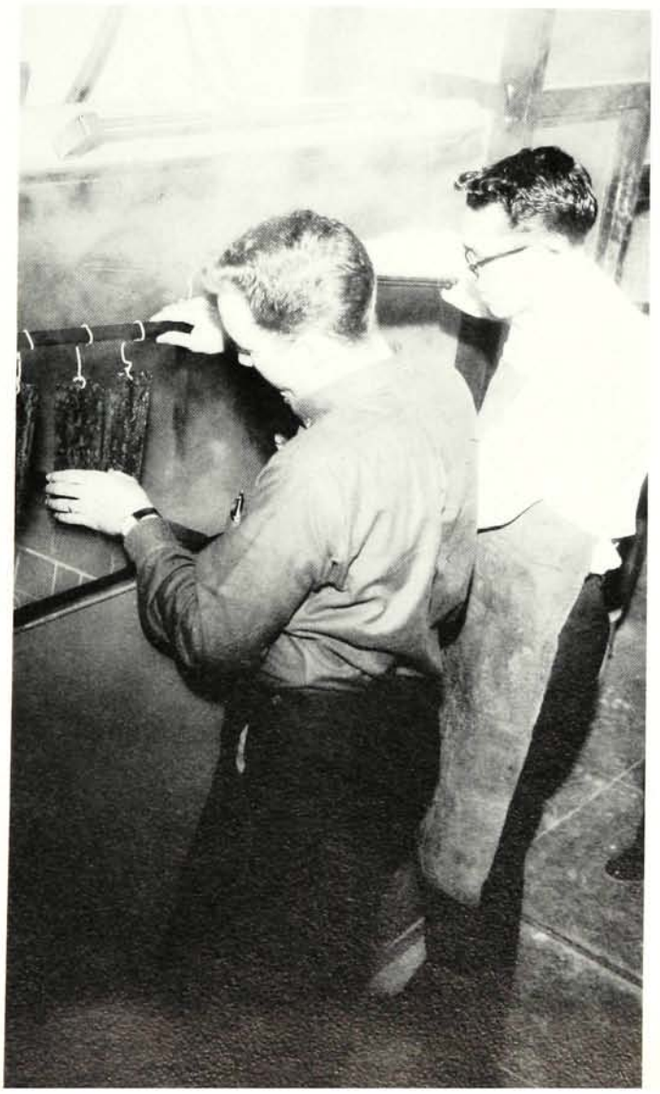

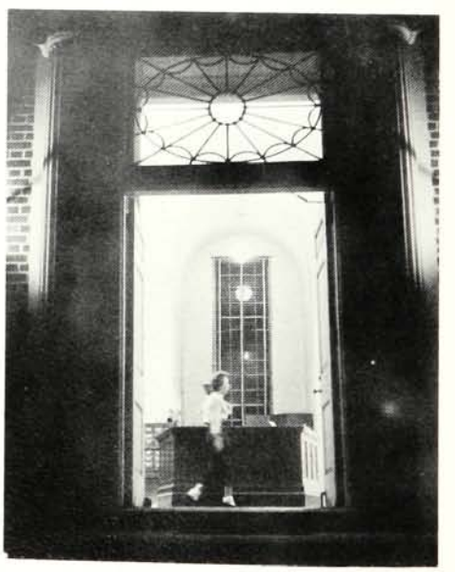

The small, church-related liberal arts institution is best equipped to provide a quality education for leadership, as it is based on an abundant freedom of human mind, to explore and expose every subject susceptible to its contemplation.

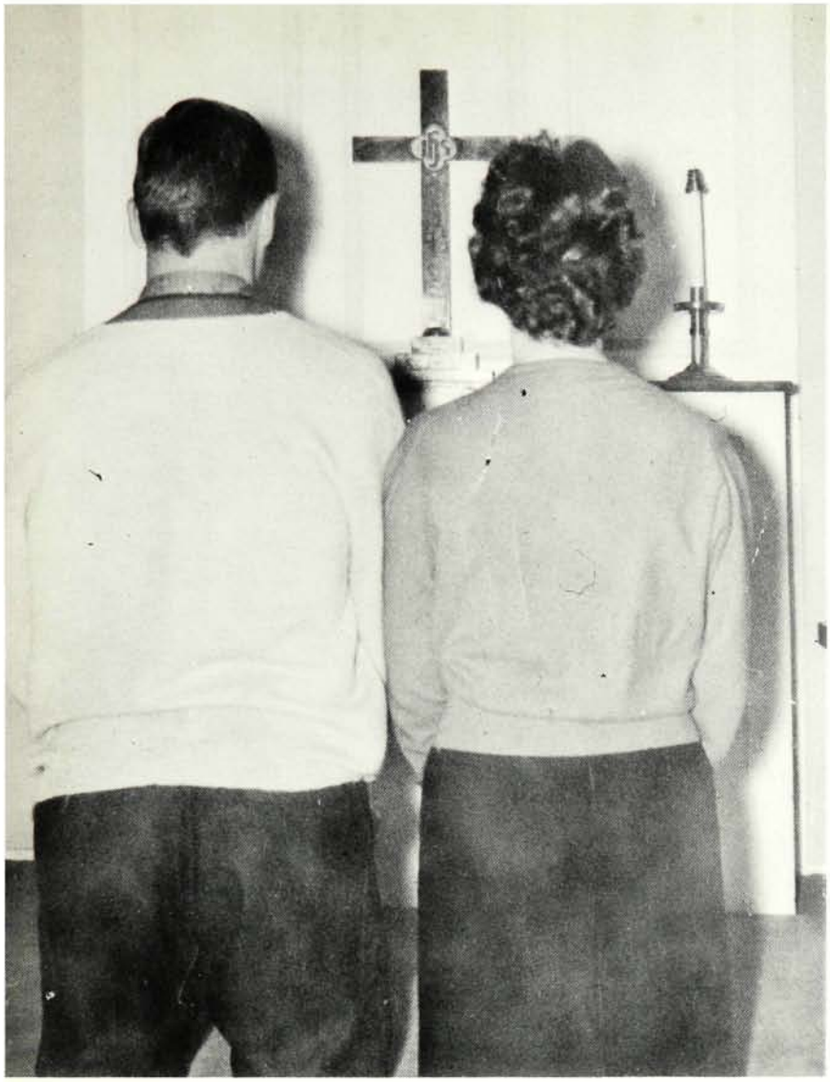

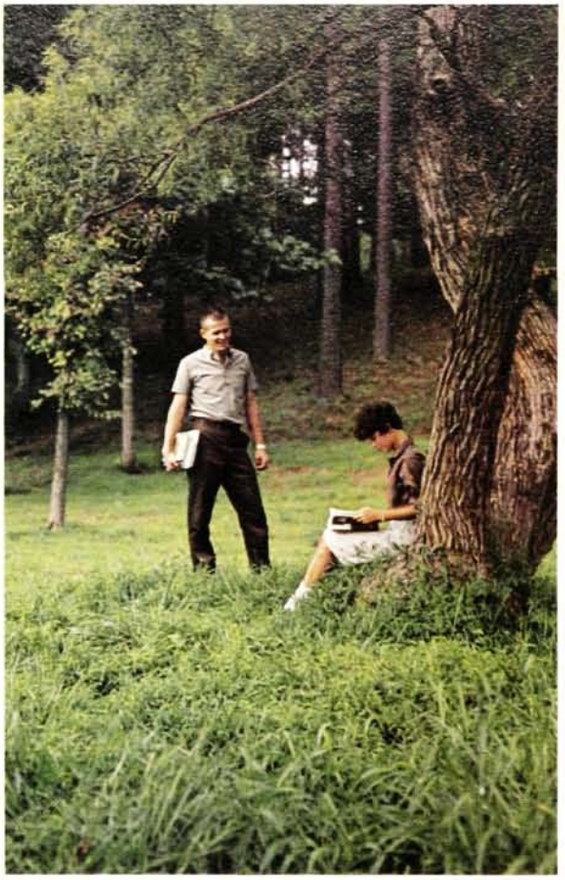

Leaders are made —— not born.

Those who will rise to strategic positions of leadership and responsibility will be those who are capable of producing through other people rather than through technical skills alone and those who are products of the versatility of student life.

The stimulation of events and occasions adds the lively movement, excitement, and vivid "splash" to our campus, which is embroidered by the many phases of the students' environment. All this — of which the leader is a product.

Education for nothing more than an immediate vocation is a costly waste; for we are a part of all that we have seen, heard, and met — the joys and sorrows, the laughs and disappointments, the meaningful and the depressive. Accepting as its fundamental purpose the task of preparing leaders for our exciting tomorrow, ...

. . . . . High Point College **dedicates itself to this end.**

Administration

Because the true leaders of tomorrow will be called upon to supply the morality and ethics for our brave new world of technology, there exists a tremendous responsibility for the preparation of these leaders. This responsibility rests on the shoulders of our administration. We, the students of High Point College, acknowledge our faith and confidence in our administrators to enable us to be guided by the pulse of the social sciences, the heartbeat of humanities, and the wisdom of religion rather than being hypnotized by the awesome prowess of the physical sciences, and the incantations of digital computers.

Our world of today demands that we be persons who possess strong minds, great hearts, true faith, and above all else, ready hands. It is in our beloved teacher that we find all of these attributes. Each student who has been one of her fold can never forget the class lectures, the office conferences, and the many on the spot conversations just outside the classroom. Her concern, her desire for knowledge, her willing hands, her wise counsel, and her open heart will long be remembered by many students at High Point College. We admire her uniqueness, her love of students, and her friendliness to all.

For this and much more, we respectfully and humbly dedicate this book to . . . . . .

DR. HELEN R. BARTLETT

DEDICATION

Our President

As you complete your college careers and move forward to begin the real adventure of life, let me wish for you every success and the fulfillment of all your dreams of days past.

To be sure the world into which you are now finding your way may not prove to be a very hospitable one. This is an age of technology and science, dominated by the incantations of digital computers—and surrounded by insecurity, fear, and tension.

But never forget, you are living at the junction of one of the great periods of history when your choices will shape the future for good or evil. You will have the opportunity to help supply the morality and ethics to this world of technology—and make a "paradise on earth" rather than a "hell on earth."

This is your real task. No generation has had a greater purpose, a more challenging opportunity, or more serious responsibility. As Montaigne wrote of his period of war, famine, and disease "Let us thank fortune that has not made us life in an effeminate, idle, and languishing age."

May God be with you and guide you.

Wendell M. Patton

Mother And The Man She Lives With

The Student Body of High Point College proudly pays tribute to two personalities on our campus who have unselfishly given of their time and service to our school and its improvement. Day in and day out always find these two "busy as beavers", their service to perform. Weekends, too, will find them faithfully executing their tasks with a spring in their step, a smile on their faces, and cheery hello to all.

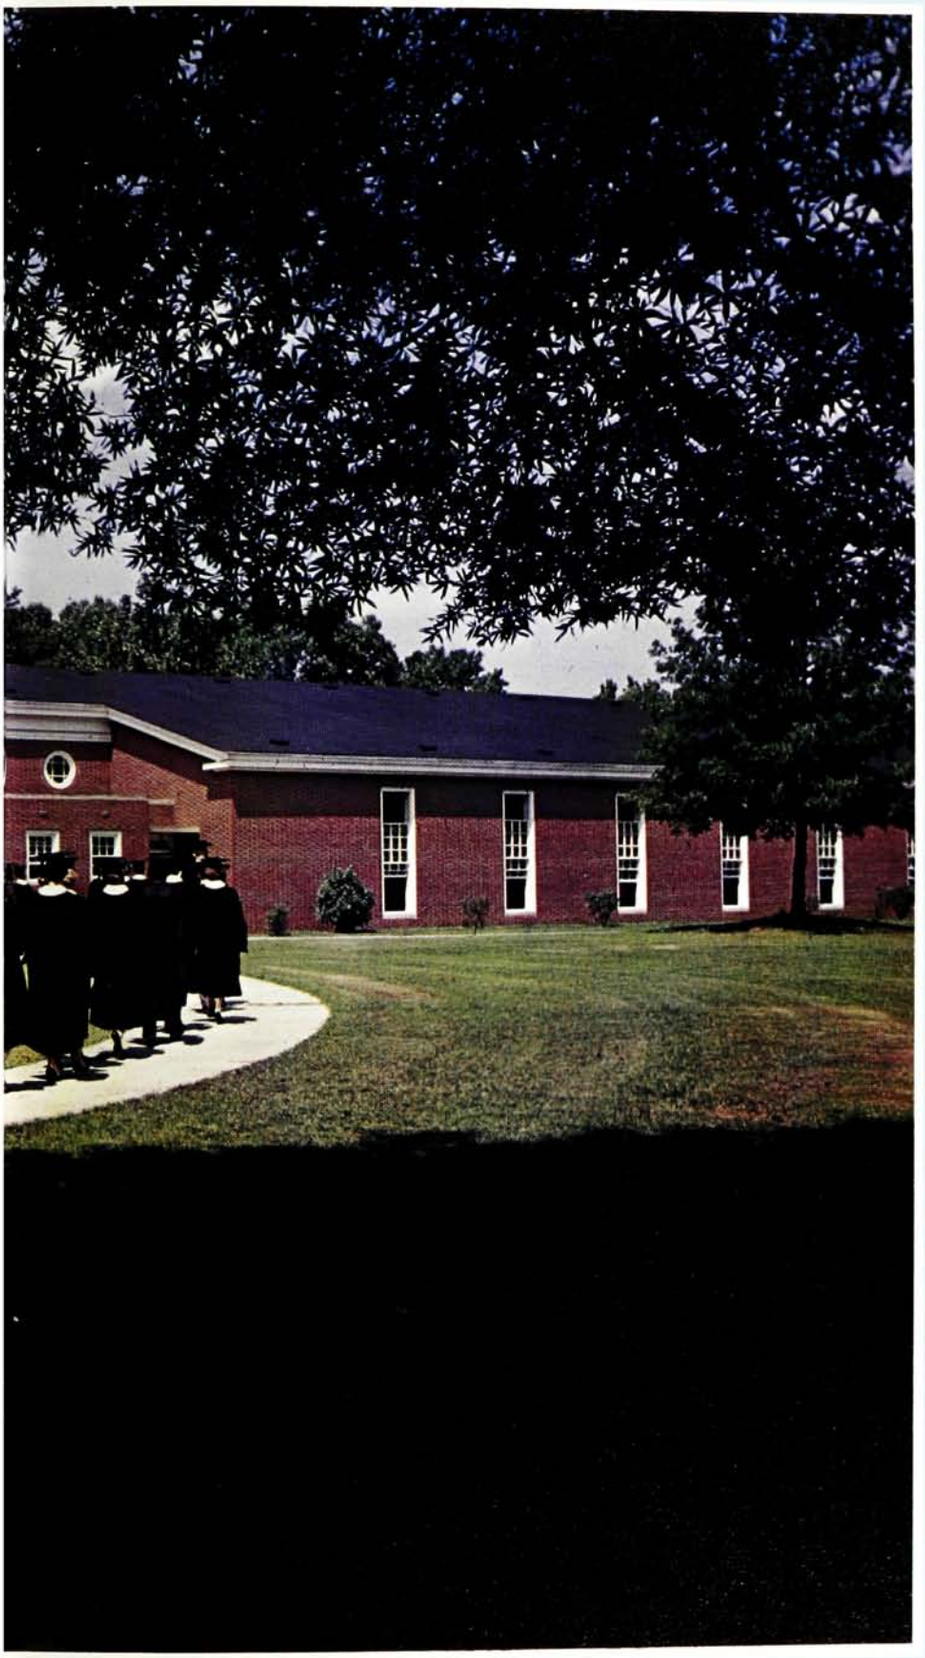

It is very unusual for the actions of any two persons to affect so many of our students, but despite the long hours, the hard work, the many obligations and expectations of those whom they serve, our tribute is rightfully received.

At breakfast, lunch, and dinner all students are made aware of the efforts of those of whom we speak . . . tasty food, colorful combinations, choice variety, even down to the added treat of peanut butter and jelly . . . Yes, we, the students pay our tribute to those who out of concern, understanding, and love have won first place in all our hearts.

Mr. and Mrs. L. G. Wright

Classes

Because the students are the vital life on any campus, we at High Point College are no exception. The years of maturing and preparing for the future have been years filled with many wonderful memories, some to be told, others to be kept close to the heart and secretly remembered. Realizing our goals, we have set out to prepare ourselves as leaders in our schools, churches, industries, communities—in all areas of human relations. We realize that the need for true leadership is greater now than in any previous period of history.

Today's college students . . . tomorrow's world leadership . . . represent the H O P E of a weary and discouraged mankind, desperately in need of the vigorous vitality of young minds in whom the ideal is still real, and expectantly looking to the energetic enthusiasm of youth still flexible and optimistic enough to be capable of new and significantly creative solutions to life's oldest problems.

Our anguished world cries for creative leadership. It is our hope and our task to meet this challenge and produce leadership with relevant answers to the current crisis, so that our institutions of learning will become more than vocational training schools or academic cafeteries where encyclopedic curricula contain no more unity than alphabetical arrangement.

Organizations

Any college which is striving for goals set up by the student body and the administration must have organizations through which students can work, attaining their objectives. It is irrevelant whether an organization consists of eight or thirty-eight members; opportunities always exist for service and leadership. Only after a student can successfully execute his ideas in his association with his fellow students can he expect to succeed as more challenging experiences present themselves. In our college where moral and ethical values are emphasized, unlimited opportunities are offered for the actual practice of leadership.

of

High Point College

Founded in 1935

The purpose of the organization is to promote higher standards among the student body. In order to become a member, one must have an average in scholarship of 1.75 for the last five semesters he is in school. He must have an excellent character, must have proved ability as a leader, and must have rendered outstanding service to the school and his fellows.

Scholastic Honor Society

To stimulate the love of learning and to recognize and encourage scholarship, the Scholastic Honor Society was inaugurated in 1957. Membership in the Scholastic Honor Society is one of the greatest honors bestowed upon a student. For election as a junior, the candidate must have completed 75 semester hours of regular college work with a quality point ratio of 2.75. The minimum ratio for election as a senior is 2.25. Membership in this society consists of students, honorary and associate members.

Zenith.....1961

A college yearbook is a traditional thing. It is the product of inter-dependence, co-operation, patience, discrimination, foresight, single-mindedness, clerical aptitude, artistic sensibility, and paper.

The 1961 **Zenith** was planned as a work that would sum up one year in the life of the undergraduate. It is hoped that this edition shows not only an understanding of the task that lay before the staff, but also the insight and ability to put across the traditions, events, and places—the memories of H.P.C.

As we of the **Zenith** Staff lock the door of our office for the last time and turn the key over to our successors, we have a feeling of mixed emotions—happy that the work is finished, a little sad at the thoughts of a phase of our life at H.P.C. ending. The sad thoughts, however, are brightened by the prospects of partly reliving our days as we look back over the pages of this yearbook. If in years to come, you can derive some pleasure from looking through this book, then our efforts and work will not have been in vain.

And now this volume of the **Zenith** will take its place in the library beside previous editions, those from 1924 to 1960.

The Hi-Po

The purpose of the Hi-Po is to keep the student body abreast of campus news. Since Publication is on a tri-weekly basis the editors and staff are concerned primarily with generalizing events of interest and importance rather than to present hot-on-the-press news. The editorial staff seeks to profile matters of specific interest in hopes that student action or student reply will result.

This year's staff is pleased to see such departments as Letters to the Editor and Book Reviews take on more popular perspectives. The aim of the Hi-Po this year has been to promote such off the campus news as the presidential race and political affairs in general. However, the staff takes its greatest pride in the fact that it has familiarized students and faculty with one another more uniquely by bringing the express opinions and backgrounds of each forth in the Hi-Po. It is the sincere wish of the outgoing staff that the new staff will expound upon the basic new look of the Hi-Po which it believes will lead the newspaper further on the road of a fine publication.

The Student Government

Association of High Point College strives earnestly to carry out its purpose, that being "to develop student honor and self-control, to encourage right ideals and promote personal responsibility, and to foster the principles of self-government." It is the immediate duty of the Executive Council to employ this purpose as a governing process by acting as a working arm and a co-ordinator of the other branches of the S. G. A. The Student Government has as its goal this year to become an efficient organization in practice and not in theory. It sought to become a governing body and not merely a sponsor of activities, even though this part of the program did not cease. The year began with high hopes and ambitions and ended with many accomplishments, not only on the part of the Executive Council, but on the part of the entire student body. Everyone gained a greater sense of unity and loyalty to the school they have come to love.

The S. G. A. officers wish the Student Government success in the years to come.

Judiciary Council

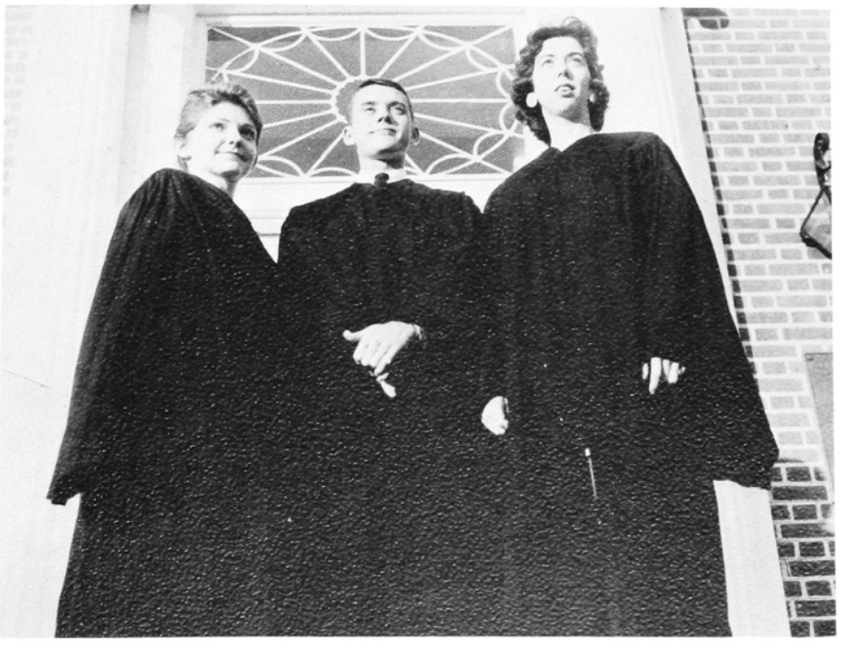

The Judiciary Council, one of the three branches of the Student Government, is the final authority on all judicial matters. It has the responsibility of trying cases of infraction of S. G. A. laws, and determining and enforcing punishment for these infractions. However, all persons accused of offenses are innocent until proven guilty and the burden of proof falls upon the prosecution. This year the Judiciary Council, with Daryl McGuire, as Chief Justice, has proven itself to be a stern and just court.

The Senate is one of the two houses which compose the Student Legislature. Three delegates from each of the four classes make up the Senate body.

In the 1960-61 Senate, many bills were presented, debated, and voted upon by the body in session in the best interest of the students. Various committees were set up to improve the college-student relationship. A special committee was devised to establish a better relationship between the town and the college. This proved profitable in making High Point College known throughout the city.

On a whole, the Senate has had a very profitable year, and we feel that the 1960-61 school year has proven the strength of the Senate as a part of the governing body for the students of High Point College.

Members of the House

The House of Representatives is composed of representatives from the four classes and every other bonafide organization of the Student Government Association. The House convenes on the first and third Thursday of each month to transact any business regarding the operation of the Student Government that is brought before it.

Although the House has only been in operation for three years, it has proven to be an important and intricate part in the operation of a strong and effective Student Government Association at High Point College.

Women's Dormitory Council

Jean Thomas
President

The purpose of the Dormitory Council for the Resident Halls for Women is to promote the most beneficial living conditions possible for every woman living in the dormitories.

Being elected to the Council is one of the greatest privileges a woman may experience while in college. It is in itself an honor, an honor which demands sincerity, duty, and responsibility.

The Council operates under a very successful demerit system. The 1960-61 Council issued new handbooks at the beginning of the school year. Several rules were revised, the most important probably is the privilege of 10:30 dating permission Monday through Thursday in addition to the week-end permission.

The Council has also aided Mrs. McClure and Mrs. Warren in obtaining a more livable atmosphere in the dorms this year.

McCulloch Dormitory Council

The men's dormitory council serves the campus by serving the dorm residents, functioning in close conjunction with the Student Government and with the Administration. Officers of the dormitory council assist in the orientation program of freshman boys, handle minor infractions of the rules, and assist many residents to work out problems. Seeing group living as an instrument of education in itself, the officers strive to make the experience of dormitory life as rewarding and as pleasant as possible.

Day Students

The Day Student Organization is the largest organization on the campus. There are 533 members in the organization this year. The day students are planning to have a dance and a picnic for the entire student body. We are trying to promote better relationship between the day and dorm students. We are trying to get the day students to participate in more activities on campus.

Besides students from High Point, there are those who come from Greensboro, Thomasville, Winston-Salem, Mocksville, and Lexington.

Methodist Student Fellowship

The Methodist Student Fellowship on the college campus is part of a national movement sponsored by the Methodist Church. The purpose of the Methodist Student Fellowship is to provide a community students work toward a deeper understanding of their Christian experience. The vision of faith is clarified by intellectual studies of various problems of the world community in which the members participate. The meaning of the Church and its message today is important to each member as he chooses to support the church with a dedicated mind, body, and spirit. Worship, wholesome fun, and study bind the members together.

Newman Club

The Newman Club is a newly established organization for Catholic students. The purpose of this club is to acquaint its members with the doctrines of the Roman Catholic Church, and to instill a deeper understanding of them. Through a discussion program, under the direction of Father Frost, the members can ask questions about certain fazes of the church which they do not fully understand. With this direction and supervision the student feels this organization is accomplishing its purpose.

Canterbury Club

The Canterbury Club is the group of Episcopalian students here on campus. We, like other Christians, have the goals of loving and praising God and of living how He would have us live. The Association is part of the witnessing church on this campus.

Westiminister Fellowship

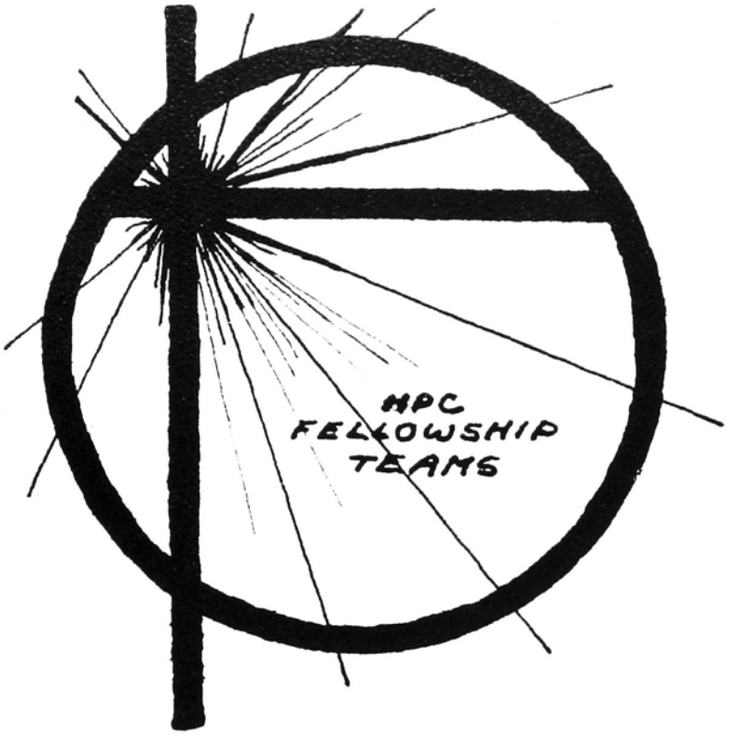

1960-61 marked the fifth year on the High Point College campus for the Westminster Fellowship, the Presbyterian student organization. Through service projects, participation in the religious program of the college, and other activities, Westminster has continued to demonstrate that it has a place on campus.

Westminster meets twice a month at the home of its sponsors. Meetings feature inspiring and enlightening programs and discussions of topics of importance to Christian students. Programs are followed by periods of fellowship. Students of all denominations are welcome to attend the meetings and take part in the activities of the Fellowship.

Officers: Mrs. Howard Pancoast, Adviser; Gregg Morton, Vice-President; Judy Fisher, Secretary; Jo Spangler, President; David Pancoast, Treasurer; Mr. Howard Pancoast, Adviser.

The HPC Fellowship Team symbol best describes the work of the teams.

This design involves two Christian symbols: The cross representing Christ, and the circle representing Christian fellowship. As the cross is within the circle, Fellowship Teammates should strive to represent the highest Christian ideals in all their visitations to surrounding churches who request our help, or more simply — Keep Christ in our Fellowship.

As the rays extend from the cross . . . even beyond the circle . . . a good Fellowship Team should try to work for lasting benefits for the church it is visiting rather than working towards just the visit itself.

As the circle is unlimited, so is our love for God and for those who we would serve. As the sun warms the entire earth, may God's rays through our fellowship, reach as far as He wills.

FELLOWSHIP TEAMS

Alpha Delta Theta

Service, leadership, and friendship are three words synonymous with Alpha Delta Theta. These are our guiding principles as sisters in the service of God. Highlights of our year were the Pledge Program, which gave our organization 33 new sisters. The outstanding pledges of the pledge class, Sandra Hooks and Carrie Whitehurst, were recognized at the initiation at Montlieu Methodist Church. Many of the girls attended our Fall Retreat at Millbrook, the home of Mrs. Ed Millis. Our guest and speaker at the Retreat was Mrs. Dorothy Garnett. Again this year Alpha Delta Theta held weekly dorm devotions. Another year is near its end, but we are sure it will always have a special meaning to us who are sisters in the service of God.

"Brothers in Christ"

Kappa Chi Fellowship

Kappa Chi is a fraternity founded to provide brotherhood to its members and a means of uniting their efforts and hearts toward the service of God. The Xi chapter at High Point College is composed of male students who are preparing themselves for full time service to the Christian church. It is the intention of the fraternity to supply a medium of instruction and inspiration to its members, that they might better grow toward the likeness of Christ. In service and in worship, in study and in instruction, the members of Kappa Chi strive toward the fulfillment of their calling through brotherhood in Christ.

Epsilon Sigma Omicron

Epsilon Sigma Omicron is the professional Home Economics Sorority. It is for girls who are majoring in home economics, and for the ones who are taking or have taken any course in home economics.

The purpose of Epsilon Sigma Omicron is to promote a spirit of co-operation among the home economics members and their associates on the campus, to promote wider and better understanding of the value of home economics to other individuals, to stimulate interest of its members in professional growth, and to develop the personality, character, leadership, and social poise of its members.

Physical Education Majors Club

The Physical Education Majors Club, now in its fourth year, has become one of the more important professional organizations on the campus. The club holds regular monthly meetings throughout the school year. It is our purpose to promote the aims and objectives of physical education as well as to familiarize the students with the various phases of physical education. Some of the ways that we help the student as well as the college are: maintenance of concession stand at basketball games, sale of programs, sale of pins; sending delegates to state and national conventions, awarding plaque to outstanding senior major, and a special project to benefit the department or the school each year.

This year for the first time at High Point, the club held a Co-Recreation night at the gym for all the clubs and organizations on campus.

We hope that through membership in our organization the students will learn the values of honest service and dedication, and will become more aware of the duties and obligations they will face in this their chosen field of endeavor.

The Women's Recreation Association has been re-organized this year as a means of creating opportunities for individual and team play in which the women on our campus may participate. The association's membership is open to all interested girls, and the main purpose of the W. R. A. is the further good sportsmanship and team play. Within it is a group of committees through which the individual sports are organized, such as volleyball, badminton, basketball, ping pong, and softball, in which sorority and independent girls may compete for championships. Plans are being made to form a riding club, and in the future a basketball team representing H. P. C. may be formed to compete with teams from other colleges.

FINE

High Point College is committed to a dynamic program in the Fine Arts—music, dramatics, speech, and art, to meet the varying needs of all its students. The competent student can do his major work in these areas with assurance that he will be able to meet the demands of his field.

ARTS

The non-major student in these fields can develop a vocational and cultural interest in them that will abide with him throughout his life and constitute real sources of personal enjoyment and pleasure.

Concert Choir

A profusion of robes, music and luggage .... a badly out-of-tune guitar .... the click of cards being shuffled .... an outbreak of laughter at the latest joke .... the never-ending succession of songs .... a "save your voices" warning from Mr. Fryhover .... and an announcement—"we are now on the first leg of our journey" from Nan, and the choir is off again on tour.

If you are in choir, then you know what it is to experience the full, proud, wholesome feeling that comes when you stand shoulder to shoulder with rows of purple-robed fellow choirsters during a concert and feel the warm lights in your face. You know what it is to "break forth" into song and feel the "oneness" of the choir. The things that create this "oneness" are not found in any other organization.

The Concert Band

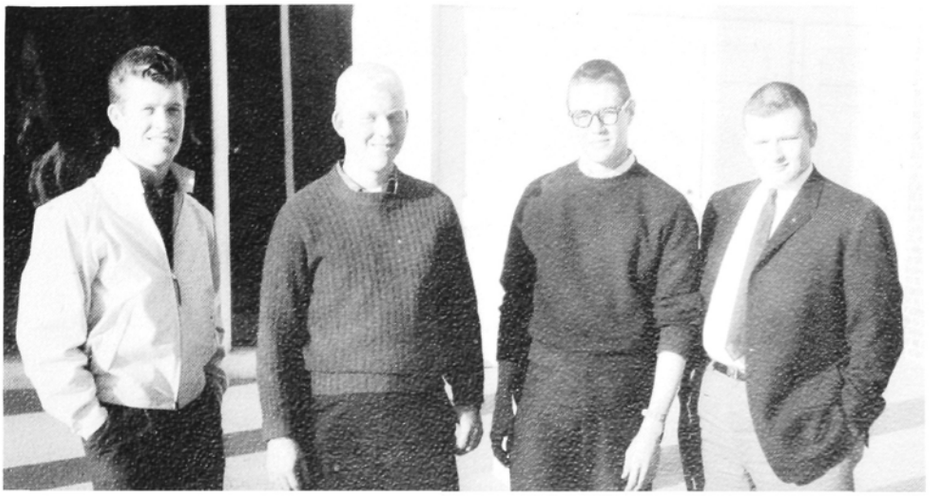

The concert band helps to increase musical enjoyment and understanding among its members and among its audiences by studying thoroughly and performing effectively the best band literature of all periods. In addition to concerts on campus and in the High Point vicinity, the band makes an extended tour each year.

In spite of an expected first-night stiffness, High Point College Tower Players' production of Tennessee Williams' "The Glass Menagerie" came through an impressive success. The characterizations, particularly that of Amanda and Tom, as played by Emma Lou Noell and Ed Stafford, were strong and believable. One totally forgot an amateur group was staging the play. Laura, Bobby Shufford, mounts to the enduring tragic nobility of the original Williams' character. Lloyd Ginns as the gentleman caller is amiably detested.

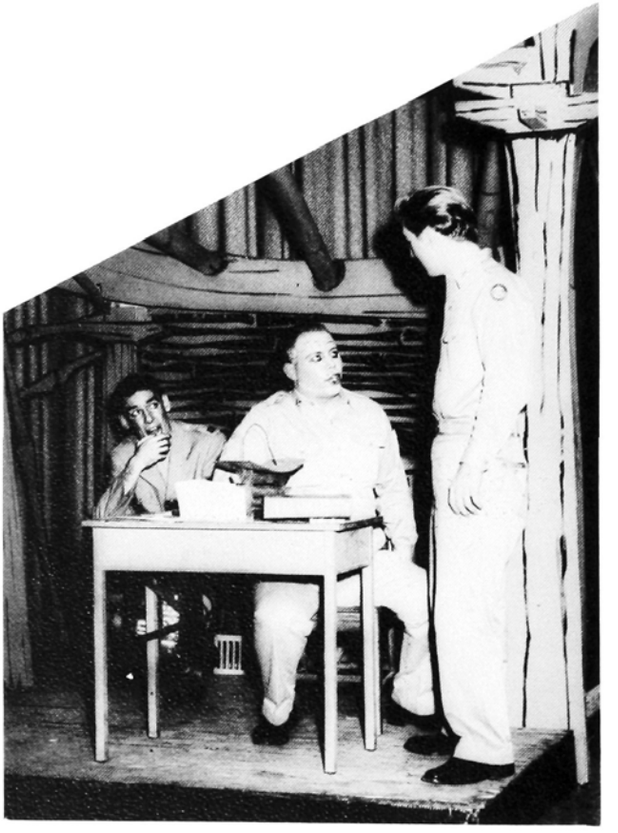

There were a lot of laughing and happy people at Memorial Auditorium when the Tower Players presented their production of John Patrick's comedy, "The Teahouse of the August Moon". Never have the players, under the direction of Miss Jane DeSpain, done anything so well and with such a near perfect blending of scenic design and performance.

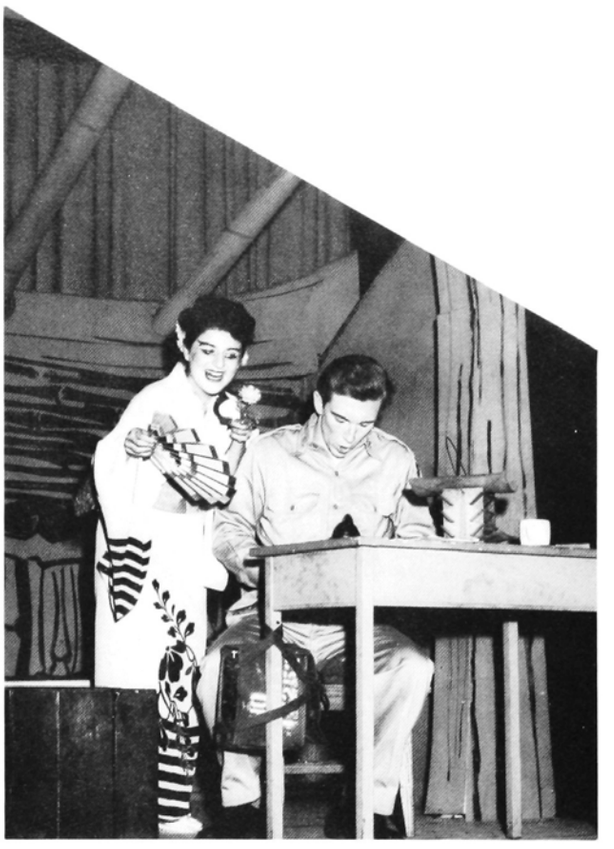

As Sakina, Mike Carrington performs superbly with unfaltering vigor and perception.

Ed Stafford as Capt. Fisby and Harvey Shaw as Col. Purdy III carry their parts off well.

Dr. Walt Hudgins adds extra comic spice to an already flavorsome production with his performance of Capt. McLean.

Selma Hazemy as Lotus Blossom is a charming and graceful geisha girl.

Special recognition for excellence in preparation should go to members of the crew. The sets were designed by Raiford Porter and lighted by Larry Lowe. Together, they created what must certainly be one of the loveliest teahouses this side of Okinawa.

Greeks

To lead well, one must first learn to follow well. This is the purpose of the pledgeships of the Greeks at High Point College. Here the fraternities and sororities are groups of young men and women devoted to getting an education and to learning from their experiences in a highly social atmosphere. And this social atmosphere has its very foundations set in knowledge, honesty, courage, and working with and helping people. Todays fraternities are made up of men and women who are more than slightly affected by the world in which they live. And more important, they affect that world. They enjoy the life of a college student because they have learned that fun as well as work entails definite responsibility. The Greek man or woman is seeking maturity, just as the system within which he lives has sought maturity. Together, they will succeed.

Panhellenic Council

The High Point College Panhellenic Council is made up of three delegates from each of the four fraternities on our campus. The delegates include the president of each chapter, one other representative elected by the chapter, and one alumnae.

Conducting formal and open rush, directing the Junior Panhellenic and the work of the House Committee compose the largest work of the Council during the year. This year the Council sponsored a Greek Sing, a first on the High Point College Campus. Another first is the joint Panhellenic-Inter Fraternity meetings which are held monthly. Through corporate planning a Greek Dance, campus projects, and service projects were sponsored. This has truly been a year of advancement.

For Alpha Gam, we hold a place deep in our hearts.
Our rose, buff, and green colors ever flying;
Endearing us to thee for all our days.
The rose and pearl fraternal strength will ever yield.
As the bond of our friendships shall last to eternity.
For her purpose, her ideals, we ever shall revere,
and all that is noblest and purest, and best will be ever and always thine.
To those whose hearts are ever with us,
Though miles may lie between,
We lift the rose of friendship up,
The red, the buff, the green.
We lift the rose, we pledge the heart,
And clasp the unseen hands
Of sisters dear, whose true love here
Joins hand to sisters' hands.

Kappa Delta

Just as the ripples widen when a pebble strikes the surface of a pond — so has the influence of Kappa Delta spread from the time of her founding on October 23, 1897. Began by four friends at a girls' college in Farmville, Virginia, the Sorority has increased its membership roll to some 45,000, and constantly widened the sphere of its influence during the 62 years which have elapsed since it came into being.

The Purpose of the Sorority

The purpose of Kappa Delta Sorority is to promote true friendships among the college girls of our country by inculcating into their hearts and lives those principles of truth, of honor, or duty, without which there can be no true friendship.

From the dreams and aspirations of these four friends has grown a sisterhood of those whose lives have been enriched by a vision, and who have worked and built with love, that Kappa Delta might be strong; that her PURPOSE might be preserved to share with those of succeeding generations who would come to know the joy of membership within the circle.

Phi Mu Fraternity

Phi Mu Fraternity is founded upon the basic principles of love and understanding. The relationship we share is further enhanced by the friendliness and sociability of group life, engendered by the members of our Fraternity. We have made more than a century of progress since our founding on March 2, 1852. We offer well-organized channels for service, both local and national. We bring, also, the love and friendly comradeship of the members of our many collegiate chapters and alumnae groups who are now actively engaged in upholding the high standards which Phi Mu has established throughout the years.

Life as a Phi Mu does not take the place of the proverbial "home away from home." It is not personified in the chapter of the name it bears, it is not one sister or one officer. It is a group of girls . . . laughing together . . . crying together . . . living together . . . working together . . . and maturing together. Phi Mu is all of these things rolled into one, welded with the small, infinitesimal, happy, and unhappy things we share.

The Creed of Zeta Tau Alpha

To realize that within our grasp, in Zeta Tau Alpha, lies the opportunity to learn those things which will ever enrich and ennoble our lives; to be true to ourselves, to those within and without our circle.

To think in terms of all mankind and our service in the world; to be steadfast, strong, and clean of heart and mind, remembering that since the thought is father to the deed, only that which we would have manifested in our experience should be entertained in thought.

To find satisfaction in being, rather than seeming, thus strengthening in us the higher qualities of the spirit; to prepare for service and learn the nobility of serving, thereby earning the right to be served.

To seek understanding that we might gain true wisdom; to look for the good in everyone; to see beauty with its enriching influence; to be humble in success and without bitterness in defeat; to have welfare and harmony of the fraternity at heart, striving ever to make our lives a symphony of high ideals, devotion to the Right, the Good, and the True, without a discordant note.

Remembering always, that the foundation precept of Zeta Tau Alpha was Love, "the greatest of all things."

Delta Sigma Phi believes that leaders are made . . . not born. We believe that every college man has leadership potential, and that their potential can and should be developed. Leadership ability is to us one of the most valuable assets that can be attained while in college, and is an asset in achieving vocational success.

Pledge training in Delta Sigma Phi includes Engineered Leadership, a program which has now become the by-word of the school's educational program—Education for Leadership. By helping the chapter grow, the pledge grows and gains experience that is priceless. He learns the true meaning of Delta Sigma Phi, and loves it and that which it represents. He learns to respect others, and puts group interests above any selfish interests of his own. He becomes interested in improving his scholarship, in developing his personality, and making a leader of himself. He realizes the assets the Fraternity will be to him after graduation, and he takes advantage of the experiences it offers him.

Leadership . . . Scholarship . . . Personality Development . . . Social Improvement . . . Lasting Friendships . . . Development of Talents . . . These are outstanding characteristics of a Delta Sig.

Another year has drawn to an end, and we XA's look back on the past happenings with mixed feelings of happiness and joy.

The year began with a "blast" and proved quite interesting as our founder, P. Murphy returned to traverse our campus and strengthen our scholastic average.

Also, we were witnesses to brothers J. K.'s, Mike's, and Bill's weddings and saw brothers Dale and Carroll become pinned and engaged.

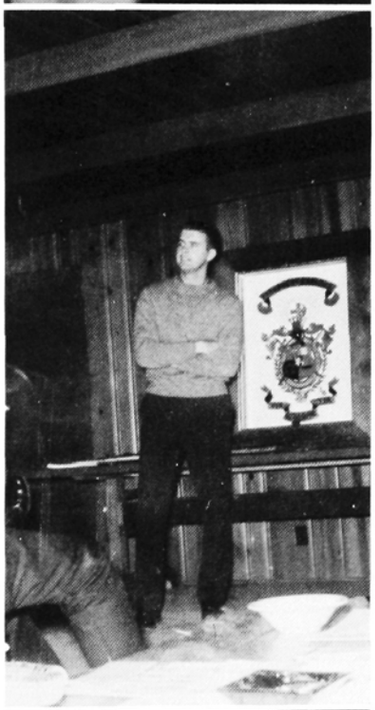

Feeling the need for some slight fortification against the enemy, we staged a rush program and began a "new era."

The year proved quite successful for parties. The two most outstanding were the Initiation Ball and the White Rose that was held again at Myrtle Beach.

Our congratulations go to Brothers Brown, Short, and Yates who made Who's Who and Ten Top Seniors, and Brothers Short, Buchanan, and Pledge Fallin who represented the fraternity on the basketball court.

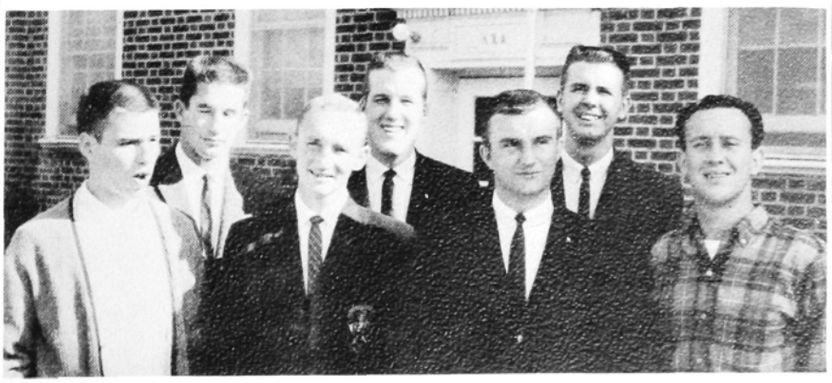

Then, as the year concludes itself, we again beckon the yell of "Rodent" and head for our convention headquarters at the beach. With the "troops" making the scene in large numbers, we realize that the convention will be a tremendous success!!!

Sigma Phi Epsilon was founded in 1901 and today is third in number of chapters with 152 and ninth in total membership with over 60,000 active brothers. Son, fathers, and grandfathers wearing the "Golden Heart" have passed through the halls of Epsilon. Sigma Phi Epsilon offers opportunities for brotherhood and personal development that are unmatched in the fraternity world. It is interested in the kind of individual who will be a credit to his community, his school, his fraternity and himself.

N. C. Eta Chapter is proud to be an affiliate of the Grand Chapter of Sigma Phi Epsilon and to uphold its principles and ideals. The Sig Eps of High Point College have enjoyed one of its best years by emphasizing character, scholarship, leadership, and service. The year witnessed the rise of N. C. Eta Chapter to the scholastic leader among the Greeks. It also proved itself to be a fraternity of leaders. Managing the top position on Campus was left to Brother Vance Davis who was President of the Student Government. He was capably assisted by Brother Jimmy Edwards, the Vice-President of the S.G.A. All take off their hats to these two boys. However, these two officers do not complete the list. Brother Ted Brazzell was president of the Sophomore Class, Brother Charles Price, president of the Concert Choir, and Brother Richard "Chuck" Miller, president of the college band. In addition Sig Eps were fortunate in having Brothers Raby, Trevarrow, Miller, and Lewis as members of the House of Representatives. Three brothers were chosen to Who's Who Among American Colleges and Universities. They were Brothers Vance Davis, Charles Price, and Ken Sullivan. Brother Davis was also elected to the Ten Top Seniors.

The Sig Ep social life was by no means dead. Two rollicking trips to the mountains, several informal parties, climaxed by the Sig Ep Ball and Spring Formal kept the N. C. Etas alive socially.

Sig Eps enjoyed a good year of intramural sports, especially in football where they took the fraternity championship. The brothers actively participated in all other intramural events.

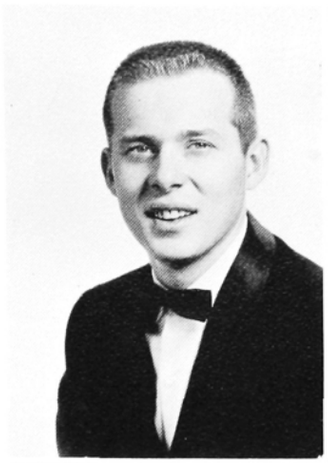

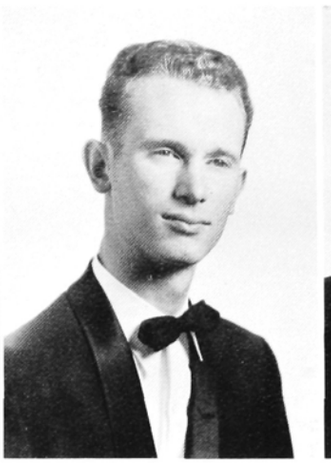

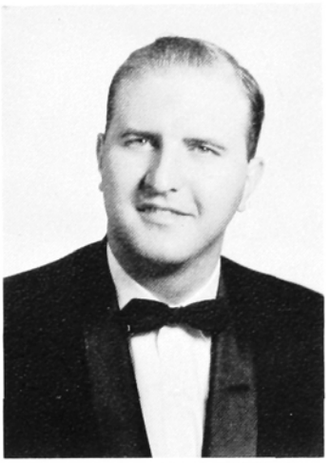

The history of Sigma Phi Epsilon has not ended. Time does not stand still for the Sig Eps. They are ever developing, ever expanding their qualities of character and leadership to meet the challenges of a fast moving world. We pay tribute to those who have gone before us. The pace is set, the task is ours as we move forward as brothers in Sigma Phi Epsilon.

Tau Kappa Epsilon was founded on January 10, 1899, at Illinois Wesleyan University, Bloomington, Illinois. The founders established a fraternity of men chosen "not for their wealth, rank, nor honor, but for their personal worth and character." The basic principles are charity, esteem, and love.

College life is not merely a corridor or vestibule through which we pass in the greatest possible haste to something better that lies beyond. College is not merely preparation for life. College is life itself, often at its very best. It is eminently worthwhile in, by, and for itself. Fraternity experience helps make it more so. To this end Delta Kappa Chapter of Tau Kappa Epsilon is dedicated.

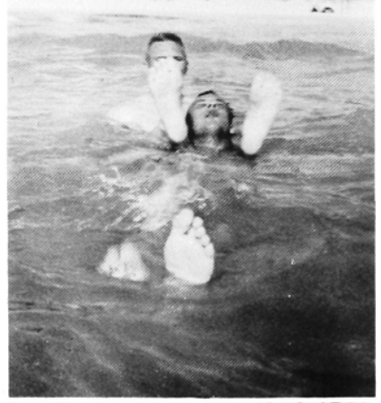

Social life plays an important role in our campus fraternities. Besides scholarship being the number one goal, brotherhood and the social side of life push the fraternity into the spotlight. Before fall rush TEKES rolled through the parties with the highlights being a hayride and picnic along with the blessings of a full harvest moon.

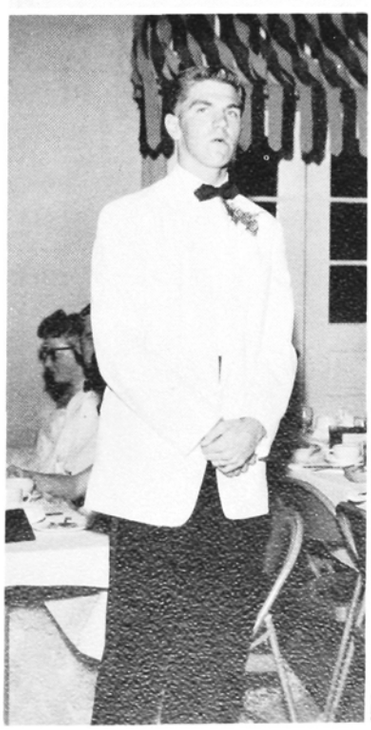

Aided by Joe Guzinski as rush chairman, the TEKES rolled through a top rush stag party and date dance and came out with nineteen new pledges. With our six returning pledges we had twenty-five of the finest pledges on campus. The Christmas dance was the highlight of the month of December. After the Founder's Day Ball in January with North Carolina State as host chapter, the TEKES set their eyes on the highlight of every year, the Red Carnation Ball. The ball is held in honor of our alumni and the fast growing Tau Kappa Epsilon Fraternity. In May of Nineteen sixty, the Gerald D. Rowe Outstanding Brother Award went to David Workman and the TEKE Outstanding Pledge Award went to Frank Lewis. The climax of the banquet and dance was the crowning of Mrs. Betty Myers as Sweetheart of Delta Kappa Chapter of Tau Kappa Epsilon.

Another brotherhood-binder in all fraternities is the athletic side. On our varsity basketball team eleven TEKES started the season. In intramural playing, T. K. E. has pushed aside its rivals and looks strong in a finish for All Campus trophy.

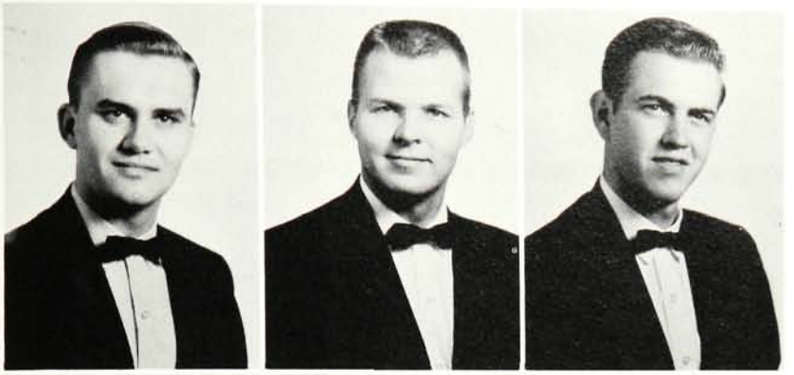

On campus, frater Donald Reber was selected to Who's Who and on the national fraternity scene Tau Kappa Epsilon strengthened its hold on the number one position in number of chapters with one hundred sixty-eight and the largest active membership. As a fitting crown for the top national fraternity, Tau Kappa Epsilon National Fraternity is number one in scholarship.

Theta Chi Fraternity on the campus of High Point College has had a long and rich background. The present chapter originated from a local fraternity known as Epsilon Eta Phi, the first fraternity on this campus. In the year of 1954 on December 11th, Epsilon Eta Phi became installed as the Epsilon Alpha Chapter of Theta Chi Fraternity. It was at this time that we accepted the ideals and purposes of this great national fraternity which are exemplified in The Creed of Theta Chi:

> I believe in Theta Chi, traditions and its ideals. Born of sturdy manhood, nurtured by resolute men, ennobled by high and sacred purpose, it has taken its place among the educational institutions of America as a promoter of knowledge, an advancer of culture and a builder of character. It inspires true friendship; teaches Truth, Temperance; extols virtue; exacts harmony; and extends a helping hand to all who seek it. I believe in the primacy of Alma Mater; in the usefulness of Fraternity, in its influence and its accomplishments and I shall do all in my power to perpetuate its ideals, thereby serving my God, my country, and my fellow-man.

High Point College's Panthers . . . New North State Champs

'A Team Victory'---Yow

By BILL HODGES
Enterprise Sports Editor

YMCA GYMNASIUM, Lexington — It was a time-worn estimate, but you couldn't help but believe that High Point's Virgil Yow meant it when he called last night's victory by the Panthers in the North State Conference tournament 'a' team victory."

"I'd have to call it a team victory all the way," said Yow as he met with newsmen afterwards. "The boys played it to win, and they played it unselfishly."

trip to Indiana last winter in search of basketball talent.

A pair of Hoosier freshmen, forward Phil Garrison and guard Roy Bartlett, paced the Panther attack with 27 and 26 points respectively. In addition, they were the chief scorers for the Panthers in the tournament. Garrison collected 83 points, tops for all tournament players, and Bartlett scored 52.

YOU MIGHT not know it," said Yow, "but those two boys are only on half scholarships. I went to Indiana looking for a ning this one," said the veteran HPC mentor. "They just got together near the end of the season and decided maybe they weren't playing quite as well as they might, and they put on a tremendous show of desire to accomplish this.

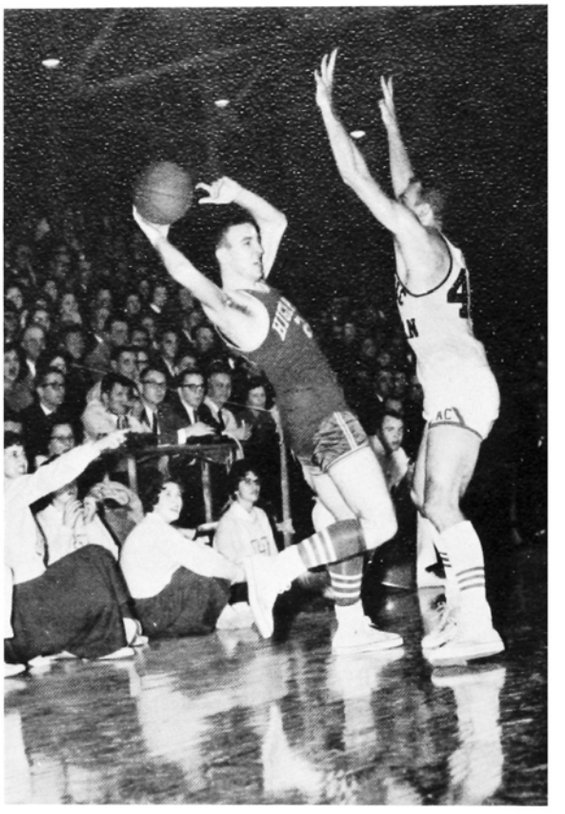

This team has as much desire or more than any I've ever coached. We had a championship team in 1942 that perhaps had as much desire, but they were all veterans and far more experienced ballplayers. This team tonight probably did more with desire than any other

an average of 27.7 points per game and collected 40 rebounds in the three games, tops for the tourney in both departments.

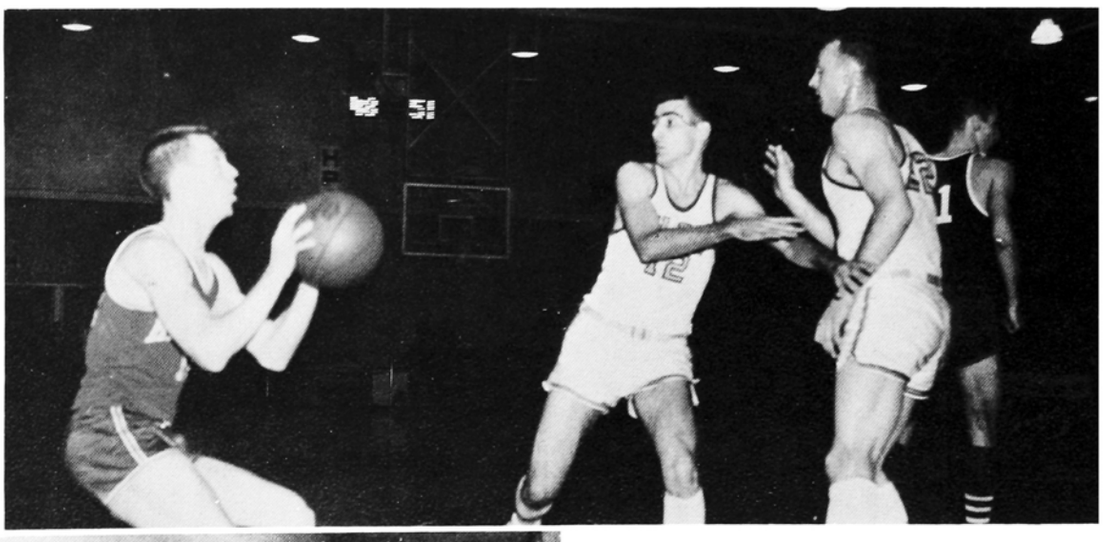

"Phil probably didn't have to work quite as hard tonight for his points as he did the first two nights," Yow said. "Our teamwork was going well, and we were feeding that ball to him. Early in the game, they (Atlantic Christian) were guarding Phil and we had Joe (Guzinski) open. Joe started hitting, and they couldn't guard Garrison quite as closely."

On February 11, 1961, the Purple Panthers of H. P. C. took the floor against a strong Appalachian team which had previously defeated them by more than twenty points. Alumni Gym was packed with many homecoming fans who, like most of us, expected H. P. C. to lose another game. Little did they know that they were about to witness an H. P. C. victory that was to light such a spark that the Purple Panthers went on to win their remaining regular season games and the coveted North State Conference Title. After defeating the "Unhappy Appies" on February 11, the Panthers won over A. C. C. on February 13, E. C. C. on February 15, and Lenoir Rhyne on February 18. Following those games came the North State Tournament in which we defeated Elon, Appalachian, and A. C. C. to win the title. This marked our first tournament title since 1954.

Enough credit cannot be given to Coach Virgil Yow and "his" boys. In Coach Yow's own words, "It was a team effort which won the tournament for us." It is in order that we point out the outstanding play of Phil Garrison, Butch Bartlett, Bill Fallin, Joe Guzinski, and Jackie Short in the last seven games. Especially to be noted is Phil Garrison's tournament play in which he was top scorer, top rebounder, and voted most valuable player of the tournament by various sports writers.

In short, congratulations Purple Panthers! We are looking forward with much enthusiasm to the 1962 Basketball Season.

Features

"The audience applauded vigorously and Miss High Point College walked gracefully down the ramp and began her reign. The basketball team, as sponsors, beamed as each girl slowly made her way to the center of the court and waited expectantly for the announcement of the new Homecoming Queen. The votes were counted and a pretty Queen of May was chosen. The fraternities selected their best girl to bear their name. And now as the following pages unfold, at last Miss Zenith will be revealed. All this adds to the life of a "co-ed" at High Point College. Proudly, we now display our beauty."

Dear Charles Carroll:

We are very honored to have been selected by the student body to serve as the judges for your MISS ZENITH beauty contest.

First of all, we want to congratulate you on the uniformly high standard of beauty exemplified by all five of the candidates. Any college might well be proud to boast five such attractive co-eds.

After long deliberation - and for obviously good reasons - we have finally settled on Miss Sandra Parnell as our No. 1 choice.

Please convey to her our congratulations and best wishes. Also, we would like to congratulate the four runners-up for giving Miss Parnell such a close race.

With warmest regards -

Sincerely,

Paul Newman

The town of High Point has played an ever increasing role in the progress of High Point College. Because High Point has been our home for these important years, it has taken its place as a medium-sized town with a heart and adequate facilities for meeting all of our needs. Whether shopping for formals, eating hamburgers or hot dogs, enjoying a movie, or attending a church of our choice, High Point has maintained its place in our lives as our college-town home. High Point, we salute you, as we, the leaders of High Point College, take our place in the world of tomorrow.
